**The documentation is no more included in the aircraft package.**

**It will be published as soon as I'll get time to make it.**

**You can subscribe to:**

**https://sourceforge.net/projects/bell-412/lists/bell-412-announce**

**in order to know when available and how to get it.**

**You can subscribe to my Youtube channel:**

**https://www.youtube.com/channel/UCmxlWKtFn19wYVe2DYU9XCw/featured**

**where I publish some tips.**

**Thank you using the Bell412.**

**Thank you for your help and making this project alive.**
